We wish to express sincere gratitude to all those who have already made their pledge. We have received pledges from 378 families!
- Fr. Nick

Our obligation this year is \$106,000. Whatever we raise in excess of our obligation will be returned to the parish! If you have not already done so, please prayerfully consider making a sacrificial pledge to the 2020 Annual Catholic Appeal. Brochures and pledge cards are available in the pews. God bless you for your generosity! You can also make your contribution online at <https://www.stgg.org/home/give/annual-catholic-appeal>

Thank you for your kind consideration!

On behalf of the Priests, Deacons, and staff, sincere gratitude for your genuine stewardship and great generosity under current conditions, while we are unable to gather for Sunday Mass.

FULLY TO GOD."

CATHOLIC CHARITIES

St Michael's Poway is now a site for food distribution for Catholic Charities on Tuesdays and Thursdays. They have not gotten a big response from people who need food so they are passing the word around to other parishes. If someone needs food they must contact Catholic Charities at 619-323-2841 or ccdsd.org/efdn to arrange pickup or delivery to their homes.

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Recognizing the Voice of Jesus

When my wireless provider introduced HD Voice, the voice I heard on my phone was unbelievably clear, and it felt at times like both the caller and I were in the same room. The best aspect of this feature is that it didn't cost the customer any additional fees, and it didn't require any changes to the phone. I could say it was free, but I suspect I was already paying for it in my monthly bill anyway. At least it felt free. The clearer the voice calling you, the easier it is to recognize who it is on the other end of the line. In John's Gospel, Jesus speaks of the gatekeeper who opens the gate and calls for his sheep. They respond because they know his voice. Others try to lure the sheep when the gatekeeper is not there, but the sheep find their voices unclear or unfamiliar. Jesus is our gatekeeper. But unlike receiving something for free from a wireless company, to be able to hear his voice we need to pay attention and practice listening. By developing a stewardship way of life that is mindful and prayerful, we become attuned to his voice and are able to discern when the call is from our Lord and when it is from an imposter. It is great to talk about all the things we can do and all the gifts we can share, but if we are not listening for his call to hear where our offerings are needed, we can end up like a lost sheep searching for the gatekeeper.
