“She Kept All of These Things in  
 Her Heart”

The Blessed Mother knew more  
 about God than most of us could  
 discover after a lifetime of study and  
 prayer. There is no one whose  
 knowledge of Christ was so intimate,  
 so deep, so simultaneously ordinary  
 and extraordinary, as the human  
 woman who bore him, birthed him,  
 nursed him, raised him and  
 eventually gave him up. Mary can  
 tell us everything we need to know  
 about Christ. All we have to do is  
 ask.

*Mama Mary,  
 Cover us with your Mantle*

**From the Pastor's Desk:**

Happy New Year to all our families. I hope you all had a wonderful and blessed Christmas with all your dear loved ones. It was such a great blessing to gather for Christmas Eucharist with such the numbers to celebrate the birth of Our Savior. "You shall find him wrapped in swaddling clothes and lying in a manger. "

My deep gratitude to all who helped prepare the church and the liturgies in such fine splendor. Thanks to our Priests, Deacons and all Ministers of the Liturgy. I wish to extend gratitude to the community for such great generosity over the year and especially now in their Christmas gifting to us, and the parish.

On behalf of the Priests, Deacons and Parish Staff, I pray God's choice blessings on your good health and family happiness throughout the New Year. Fr. Nick

**EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

Listen. Think. Act.

That is a mantra or slogan for many different groups. Some seek to battle prejudice and bias. Other groups hope to eliminate poverty or reduce crime. I have even found some companies use it as a way of increasing engagement among their employees. In a nutshell, it is about taking in what you have heard and then reflecting on it before you act. The most fruitful actions are those that take place after careful reflection.

This is an important thing to remember for those trying to live a stewardship way of life. If we are honest with ourselves, too often most of us jump to conclusions too quickly or act in ways that cause friction because we didn't really think about the consequences of our actions. We are moving too fast in a world that seems to be moving ever faster.

When the shepherds came to visit Jesus, the newborn King, they told Mary everything that the angels had told them. Luke tells us that after hearing all this, she "kept all these things, reflecting on them in her heart." No response. No panic. No action. Her reflection was the appropriate response.

In this New Year, you and I would do well to remember this Gospel account of Mary, the Mother of God. Let us resolve to listen more, reflect often, and then act accordingly. We are called to use our gifts wisely, sowing them in good soil. If we just throw them out, allowing them to simply fall wherever they may, have we really used them for God's glory? We need to listen. Think. Then act.
