Fr. Gerard Tully, C.S.P.

Principal, Erin Zwahlen, Ph.D.

Fr. Bartholomew
Landry, C.S.P.

Fr. Gerard Tully,
C.S.P.

Did You Hear?

Pope Francis has Named Rev. Michael Pham (Former Pastor of Good Shepherd Parish) and Rev. Felipe Pulido as the 2 new Auxiliary Bishops for our Diocese.

on June 6, 2023.
Congratulations and Blessings to them!

Fathers Pulido and Pham will be consecrated as bishops in a Mass on Sept. 28th, and will join Auxiliary Bishop Ramón Bejarano in serving alongside Cardinal Robert W. McElroy to support the diverse Catholic community in San Diego and Imperial counties.

"I could not be more pleased nor grateful that His Holiness has seen fit to bless our diocese with these two faithful and committed servants of the Lord," said Cardinal McElroy.

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

When I was a teenager, after a homecoming dance one year I took my date for a walk on the Potomac in downtown Alexandria. The moon was out and I was struck by how the light shimmered on the water. I remember focusing to try to see all the details of the dancing rays on the ripples. My date didn't see it and didn't really get it. She thought it was no big deal. It was a great date and a fun night, but for that one moment we saw the world from two completely different vantage points. Two of the greatest gifts from God to each of us are life and time. Without taking care, we can easily miss the grandeur and beauty of both. Being mindful as an everyday steward means pausing to see the detail in all that exists around us. God's creation is not something created with a broad brush, but instead with the intricacies of a master painter. God created all things with purpose and a complexity only the divine could fully comprehend. Every single hair on our head has been counted! But when we take a moment to reflect on the beauty that is created by that complexity, we allow ourselves to revel in God's generosity. There is so much to give thanks for in this life. But you and I can't give thanks to God unless we really stop to take notice. When was the last time you stared in awe at the moon?

Tracy Earl Welliver, MTS
