 Shares About the Mission**

of her Order, The Sister Servants of the Blessed Sacrament. It was founded in 1904 by Fr. Silvano Carrillo. The Sisters will share the charisms of the Order, and will ask us to support them in their continued ministry.

The sisters dedicate their daily lives to daily adore the Lord in Adoration, and focus on teaching religious education to children and youth all around the world. *They serve* in 71 Catholic schools in 15 states in México and in two schools in Guatemala, one in Chile, and a large mission in Peru. Their ultimate goal—to prepare *children to know and love Jesus in the Eucharist, to live the Gospel values and to help build a better world.*

July 2023 'Tis time I put pen to paper in expressing my deepest gratitude for the blessing of sharing priesthood among the People of God in this wonderful parish community of St. Gregory the Great. It has been such a privilege to serve out these final years of my ministerial priesthood among God's priestly people. You share in the priesthood of Christ by reason of your Baptism in the name of the Father, Son, and Holy Spirit- Christians together on the journey of faith. Every year at the end of summer vacation I looked forward to my return once more to the place where I belonged. By and large we worked well together in building the Kingdom of God where the Lord's love is shared generously. Over those years, you have been a stewardship people living and giving generously out of the blessings you acknowledge from above. "Gifts bestowed are held in trust for others". There were times I knowingly and unknowingly offended people and for that I ask your kind forgiveness. Gratitude has always been the hallmark of stewardship. I give thanks to God for the graces bestowed on our community enabling us to further our mission. We are an alive, vibrant Eucharistic community who draws people to Christ – for formation and mission- to send them forth to transform the world. God bless Fr. Ed (RIP), Fr. John and his gem of a talk on shepherding – I need a copy. More recently, Fr. Kelly, Msgr. Gallagher (I will go see him in Ireland) and Fr. Jim Rafferty. Gifted men. God bless all the wonderful parishioners in this storied place, you blessed us with the Catholic School. And then that awesome gift at the jubilee banquet. This makes me deeply grateful for magna generosity, but humble, too. I appreciate the Cardinal and Bishop Bejarano for their presence all evening. I thank the Cardinal for his great kindness to me: making me a dean – totally unforeseen. With renewed gratitude for God's choice blessings and prayerful remembrance in the years ahead. May God bless Fr. Bart, Pastor and his associate, Fr. Jerry, your new shepherds. Much gratitude to Michael Kielty, Frank and Paulette Deniston, Maria Sittmann, and their Jubilee committee.

Gratefully, Fr. Nick

RECOGNIZE GOD IN YOUR

ORDINARY MOMENTS

What Is God Asking of You?

What are you willing to give for the sake of the kingdom of God? Often, we begin a discussion like this with a story or a few leading thoughts. However, if we are to be serious about who we claim to be as Christians,

there should be no beating around the bush. The question is not only important for each of us and our relationship with our God, but it should be important for the relationship each of us has with the entire Body of Christ. Like any good team or family, I need you to have my back, and I need to have yours. If one of us is going to lay it on the line and be all in for our faith, then we all need to be as well.

If only all the Christians of the world felt the same way. In some parts of the world, Christians are still being martyred for their faith. Others must worship underground and avoid the government-led police. Then there are those who seem to take faith for granted, and because little is asked by their friends or parish, they give nothing. It is quite a contrast of situations.

On this day, it may seem like little is being asked of you and I by God. Is that because we aren't being asked or because we aren't listening? If you are counting on me and I am on you, we should figure this out sooner than later. Of course, I suspect we actually do know the answer, don't we?
