Assistance for Catholic Education Love.

Walk into any classroom in our Catholic schools across San Diego and you will see Catholic values on display everywhere.

With small class sizes, each student gets the personal attention he or she needs. The students thrive in this safe, nurturing environment, performing at or above state academic standards. Schools offer a STEM curriculum to prepare students for 21st-century careers. And many offer enrichment opportunities in technology, music and sports. Teachers and administrators love the opportunity to work in partnership with parents to ensure their children reach their full potential. And they value the diocese’s investment in professional development. Every school is committed to doing all it can to make Catholic education accessible to as many families as possible. Your support of the Annual Catholic Appeal is central to all of this work, enabling Catholic students to succeed academically AND to serve as future active members of the Church.

Our Response as Stewards

Reflect on the many gifts you have received from God. Including your financial blessings.

Pray about how God wants you to use the gifts he has given you.

Respond by supporting the mission. You can give at your parish or online at giving.sdccatholic.org.

Marriage Formation Mentors Needed!

**Did you know that St.
Gregory the Great is a
Witness to Love Parish?**

This means that our 14 newly engaged couples are in need of parish mentor couples as they go through their marriage formation process. During the six monthly sessions, one marriage is formed as another is renewed. Please consider sharing the gift of your love and experience! You don't need to have a perfect marriage to accompany the engaged on this journey.

For more information or to volunteer, please E-mail Ron and Kathy Medenwald at **mkmrem@cox.net**.
