*Did you know...* What is happening in the diocese to protect children?

Training is provided for all adults and youth to identify warning signs and develop strategies for maintaining a safe environment for all.

A designated Victim Assistance Coordinator is available to receive reports and accompany victims through their journey.

A volunteer independent Review Board assists the bishop in the review of cases and makes recommendations for moving forward.

A Safe Environment Coordinator assists parish and school personnel with training and background screenings for anyone who may have access to children.

An audit is conducted by an independent firm to evaluate implementation of the *Charter for the Protection of Children and Young People*. Findings are incorporated with those of other dioceses and made available in an Annual Report.
