*"Blessed be the God and Father of our Lord Jesus Christ, who in his great mercy gave us a new birth to a living hope through the resurrection of Jesus Christ from the dead" 1 Peter 1:3*

Dear Parishioners,

On November 17, 2025, during his weekly audience, Pope Leo XIV reminded us that *"Easter gives hope to our everyday lives."* He continued by saying that *"Our lives can seem chaotic, full of pain and suffering, and marked by events that appear confusing and unacceptable, on both a personal and global level. In these moments, Christ is our inspiration. The Easter proclamation, "He has risen," brings care and healing to our troubled minds and hearts, hope in the face of life's challenges. Meditating on the Resurrection, our lives find the meaning that we seek."*

Easter is that time of the year, that season, when we as Catholic Christians celebrate in the most festive of ways. Throughout the season of Lent, we have been preparing for the greatest life-changing moment: the encounter with our resurrected Lord and Savior, Jesus Christ. Like the disciples and those who gathered around the cross, we witness in our hearts the fulfillment of a promise of peace. Just as the agony of the cross could not contain Jesus, the darkness of sin and death cannot contain us. Today, the triumph is ours, for we too proclaim, Alleluia Alleluia, Christ is Alive, He has risen just as He said He would. Peace be with us now, and in the many days to come!

In our Risen Savior,
